OUR ETHOS

All children deserve the right to feel happy, secure and respected.

Our main aim is to ensure that children feel safe, happy, motivated and respected whilst being able to develop and grow to their fullest potential.

We will involve all children from age 2 upwards in decision making processes such as choosing activities, helping to prepare snacks and organising rewards systems etc.

Inclusive Setting

Meet the Team

At Child's Play at Crwys we are blessed with the most amazing team who genuinely love and care for all the children who join us. The majority of our staff are qualified up to the mandatory level 3 in childcare. We believe that it essential for staff to continue with the professional development as this ensures your children get the best care possible. Aside from this, our team are happy, enthusiastic, caring, kind, bubbly, a little crazy, (in a good way), and absolutely committed to ensuring your child gets the best care possible.

Sam - is the founder of Child's Play and a Mum to three children. She has worked extensively with children from newborn up until 12 years. She has an NVQ level 3 in childcare and development and has been an invaluable classroom assistant, special educational needs support practitioner, children's transition officer and early years' developmental play worker during her career in childcare and education. This experience will help to shape the setting and create a wonderful environment that children love to spend time in.

Kirsty - is our General Manager; she has many years' experience working successfully in childcare settings and as a Nanny. Since joining Child's Play, we were so impressed with Kirsty's professionalism that she was promoted to Manager where her enthusiasm, expertise, and caring nature shines through.

Lisa - is our Setting Manager and has extensive experience in childcare management and previously worked as a team leader for Flying Start team. She is also our additional learning needs officer. She is qualified in CCLD Level 5.

Steph - is our Toddler Room Manager. She has worked and studied childcare for the last 10 years, gaining CCLD level 3 and a degree in education. She has a great deal of experience with babies and toddlers working in nurseries and as an au pair and has a passion for working with children.

Snacks and drinks in Playschool

We ask children to bring a healthy snack with them each time they attend. We also ask children to bring in a beaker or plastic cup from home clearly marked with your child's name. Experience shows that children like the familiarity of something from home and little touches such as this will help with transition from home to Playschool. Throughout the session, a jug of water will be available next to the children's cups and we will encourage and support the children to independently get water as and when they need it.

Please remember Child's Play is a NUT FREE Zone

Clothes for Playschool

We ask for children to come to Child's Play in comfortable, easy to put on and take off clothes, such as track suits. Many of our activities are messy and whilst we do provide aprons, invariably a little bit of messiness is unavoidable. So, we recommend not putting children in best clothes. We ask that all children always have an appropriate waterproof coat, clearly labelled with their name.

Footwear

We recommend children wear comfortable, easy to remove and put on shoes, Velcro fastenings are preferable. If children could bring welly boots into Playschool in a carrier bag each day, clearly marked with their name. Then we can go outside to play regardless of the weather.

Nappy Changing and Toileting

If your child has nappies. Please ensure there are 4 nappies in their bag each day along with a pack of wipes. We do have nappies and wipes as a back-up. But due to parents having preferred brands and children reacting to certain wipes we ask parents to provide their own. We will record nappy changes in your child's diary.

Children are regularly reminded to go to the toilet. If you are potty training your child, we are happy to discuss progress and try to follow the same routines/techniques you are using at home. Experience shows children prefer their own potty so we will request you provide the potty when it is being used.

Collection and Drop Off

We ask parents to buzz on the intercom, a member of staff will come to the door. We do ask for your patience as sometimes we are in midst of very important activities such as slime and playdough, at other times we could be mid-way through potty training. We will always get to the door as fast as we can. We aim to greet the children at the door and get them to say their goodbyes to you there.

Similarly, at home time we try and bring them and all their bits and bobs to you at the door. Experience has taught us that having parents in the Child's Playroom can unsettle other children and your own child. However, we work at your child's pace to ensure that this procedure is a happy and smooth one.

Please note children must be picked up promptly at the end of their session. It is upsetting for children to be collected late whilst also impacting staffing level needs and potentially compromising the safety of other children. **Late pick up will incur a penalty charge**

What do I do next and how do I book a place?

Email us Childsplayswansea@outlook.com and we will book you in for a visit for you and your child. At this point we can answer all your questions, a registration pack and arrange your free taster session. The taster session is a great opportunity for us to work out the best transition for you and your child and at this point we can book in the sessions that are required.

Once you have joined us, we ask you not to attempt to book sessions via the staff in setting, email is the most reliable method. We ask you to direct all bookings to us via email so that we can make sure we have a paper trail of bookings.

To guarantee you always have a space and to receive childcare at a lower cost, we recommend a regular ongoing booking. There is an option to have a casual booking, these cost a little more due to extra administration required, there is also a risk that we will be full.

After School Club

The easiest way is again to email us your requirements. To guarantee you always have a space and to receive childcare at a slightly lower cost, we recommend a regular ongoing booking. There is an option to have a casual booking, these cost a little more due to extra administration required, there is also a risk that we will be full.

How many sessions do I book and pay for?

We invoice families at the beginning of the month for the childcare booked. The majority of families use our regular bookings option, so the invoice is generated and sent to you monthly. Childcare does need to be paid for before it commences. If you have booked in casual sessions in addition to your regular bookings, these will be added onto your next invoice, e.g., October invoice will include all October dates and any extra September dates that were used.

Is it possible to book different sessions each week?

We try to be flexible where possible. But experience has taught us that to guarantee you have a space, make your bookings regular and / or long term. We will book (within reason) to suit shift patterns, but these need to be provided on a long-term basis.

There is a 2-week notice period required to amend regular bookings or take a holiday, 28-day notice period to cancel bookings completely. With casual booking we have a 48-hour cancellation policy.

Is there any help available to cover some of the costs of childcare?

Child's Play accepts employer's childcare vouchers and the 30-hour childcare offer.

What is the policy if my child is ill?

We will not accept unwell children. Clearly it is not in their best interest to attend if they are unwell, nor is it in the best interest of others. We have a duty to limit the spread of infection and illness to other children and staff. Sessions missed due to ill health will still need to be paid for.

If your child falls ill during a session, you will be required to pick them up as soon as possible. Again, it is not in the best interest of your child to remain in setting if they are unwell. We also have a duty to limit the spread of infection and illness to other children and staff. Sessions missed due to ill health will still need to be paid for.

How will I know what my child is doing during the days and how they are progressing?

In playschool we have a blue communication diary which we write in each day. This informs parents of highlights of the day, achievements, issues and answering any queries that are written in the book by parents.

We also have a learning journal, which is used to record your child's wonderful developmental journey whilst they are with us. This is yours to keep as a keepsake once they leave us.

How Does Child's Play keep in touch with news of important dates, holidays etc?

Each setting will put notices on the doorway for parents to read when they are collecting and dropping off children. We also put information on social media and in newsletters.

Parental involvement

Child's Play at St David's believes that parents/carers are the prime carers and educators of their children and as such, should be involved many aspects of the provision. Child's Play at St David's welcomes parents/carers who would like to become involved in.

- Fundraising
- Leading skills sessions; e.g. firepersons/police/artists coming in to speak about their professions/experiences.

The lasting benefit of parental involvement in a child's development and pre-school education is now clearly supported by academic research, as well as providing a lot of pleasure for parents/carers and their children.

We receive small talk, Wales PPA's magazine, which offers practical advice and up-to-date information, and we are happy to share this with parents/carers. The provision also has access to other publications from Early Years Wales. Alongside this we work closely with Gower College, supporting career development of staff, NDNA, Clybiau Plant Cymru, After School Support and PACEY. Currently staff have renewed their Paediatric First Aid and registered to do the transitions Playwork's qualification through Clybiau.

Child's Play at St David's works with the support of the above organisations to invest in our staff's commitment to their continuous professional development through reliably endorsed courses, events and training pathways, and parents/carers are kept informed about these.

Policies and Procedures

Child's Play at St David's has produced a pack of policies and procedures that describe arrangements for dealing with routine operational practice, complaints, concerns, and any emergency that may occur during operational hours. They are designed to ensure effective and safe management of our service and to offer the best possible environment and experience for the children and families who use it. The policies and procedures are developed and maintained in line with and/or exceed national minimum standards and regulations. They are reviewed regularly (at least annually) and updated (and CIW informed of any changes) as necessary. The policy pack is available for all who visit, work in or use Child's Play at St David's to see. It is available on the web site and hard copies are kept on the parent communication board.

Fees and booking

Childs Play operates on a first come, first served basis, as such we encourage parents/carers to book regular sessions in advance to guarantee they have a space.

Fees are Paid

Childs Play operates on a first come, first served basis, as such we encourage parents/carers to book regular sessions in advance to guarantee they have a space.

- Parents/carers are advised to speak to Samantha Smith or Kirsty Evans about payment of fees in cases of prolonged absence. We will always try to support families.
- 30 hours childcare offer
- The offer requires us to book childcare sessions with the local authority a month in advance e.g: - end of January = March dates submitted
end of February = April dates submitted
- As such we ask for dates for childcare to be provided a month before they are to be taken as above example.
- A daily collection/drop of fee of £1.50 is due before childcare occurs.
- We are unable to 'carry across' unused hours from week to week. The local authority reserves the right to audit us at any time and our childcare offer bookings must match with attendance registers. The local authority will only fund the agreed number of hours eligible per week.
- Any extra childcare required above the agreed hours will be charged at £4.50 per hour/part of hour.

Holidays

If a child with a regular, long term place has a holiday booked, Child's Play require 28 days' notice. *A child's place is dependent on continued payment of fees.*

Starting in the Provision

Child's Play at St David's acknowledges the importance of parents/carers and staff working together to help children settle in the provision and develop confidence to participate in all the activities offered. Some children take longer than others to settle. The treatment of each child as an individual is our main concern. Parents/carers are invited to join us for a free taster session (playschool only) so we can all assess the child's transition needs. Parents may stay for the whole or part of the subsequent sessions, depending on the needs of their child (playschool only). We advise parents with children who have additional needs to meet with us prior to children starting afterschool club so that children's needs are fully met and their settling in transition runs smoothly.

Observations, Assessment and Record Keeping

Child's Play at St David's 's staff take a reflective approach to their work, using observation as a tool to plan activities and ensure children's needs are met, particularly playschool. The progress of children is assessed by observation and recorded. Child's Play at St David's has a duty to share some information with the Local Authority, CIW and in the case of the Child Development Assessment Profile, the Welsh Government. Our records are kept in line with our confidentiality policy and are available for discussion with parents/carers at any time.
