OUR ETHOS

All children deserve the right to feel happy, secure and respected.

Our main aim is to ensure that children feel safe, happy, motivated and respected whilst being able to develop and grow to their fullest potential.

We will involve all children from age 2 upwards in decision making processes such as choosing activities, helping to prepare snacks and organising rewards systems etc.

Meet the Team

At Child's Play at Penclawdd we are blessed with the most amazing team who genuinely love and care for all the children who join us. The majority of our staff are qualified up to the mandatory level 3 in childcare. We believe that it essential for staff to continue with the professional development as this ensures your children get the best care possible. Aside from this, our team are happy, enthusiastic, caring, kind, bubbly, a little crazy, (in a good way), and absolutely committed to ensuring your child gets the best care possible.

Sam - is the founder of Child's Play and a Mum to three children. She has worked extensively with children from newborn up until 12 years. She has an NVQ level 3 in childcare and development and has been an invaluable classroom assistant, special educational needs support practitioner, children's transition officer and early years' developmental play worker during her career in childcare and education. This experience will help to shape the setting and create a wonderful environment that children love to spend time in.

Steph - **Setting Manager.** I have worked and studied childcare for the lasts 10 years, gaining CCLD level 3 and a degree in education. I've had a great deal of experience with babies and toddlers working in nurseries and as an au pair and has a passion for working with children.

Lily - **Senior Playworker.** I have been working for Child's Play for 5 years. During that time I have graduated University with a degree in Youth and Community and gained my CCPLD3 in childcare.

Chloe - **Playworker.** Hi I'm Chloe and recently graduated University with a degree in Early Childhood Education and Care. In my spare time I enjoy Irish dancing and have a keen interest in the Early Years

Administration Charges

Item	Price
Registration Fee (one off)	£15.00 per Family
Amendment to bookings (without 14 days' notice)	£10.00 per Change
Fee for yearly records e.g. Tax Credit/Student Finance etc.	£10.00

There is a 2-week notice period required to amend regular bookings or take a holiday and a 28-day notice period to cancel bookings completely. With casual bookings we have a 48-hour cancellation policy.

Snacks and drinks in Playschool

We ask children to bring a healthy snack with them each time they attend. We also ask children to bring in a beaker or plastic cup from home clearly marked with your child's name. Experience shows that children like the familiarity of something from home and little touches such as this will help with transition from home to Playschool. Throughout the session, a jug of water will be available next to the children's cups and we will encourage and support the children to independently get water as and when they need it.

Please remember Child's Play is a NUT FREE Zone

Clothes for Playschool

We ask for children to come to Child's Play in comfortable, easy to put on and take off clothes, such as track suits. Many of our activities are messy and whilst we do provide aprons, invariably a little bit of messiness is unavoidable. So, we recommend not putting children in best clothes. We ask that all children always have an appropriate waterproof coat, clearly labelled with their name.

Footwear

We recommend children wear comfortable, easy to remove and put on shoes, Velcro fastenings are preferable. If children could bring welly boots into Playschool in a carrier bag each day, clearly marked with their name. Then we can go outside to play regardless of the weather.

Nappy Changing and Toileting

If your child has nappies. Please ensure there are 4 nappies in their bag each day along with a pack of wipes. We do have nappies and wipes as a back-up. But due to parents having preferred brands and children reacting to certain wipes we ask parents to provide their own. We will record nappy changes in your child's diary.

Children are regularly reminded to go to the toilet. If you are potty training your child, we are happy to discuss progress and try to follow the same routines/techniques you are using at home. Experience shows children prefer their own potty so we will request you provide the potty when it is being used.

Collection and Drop Off

We ask parents to buzz on the intercom, a member of staff will come to the door. We do ask for your patience as sometimes we are in midst of very important activities such as slime and playdough, at other times we could be mid-way through potty training. We will always get to the door as fast as we can. We aim to greet the children at the door and get them to say their goodbyes to you there.

Similarly, at home time we try and bring them and all their bits and bobs to you at the door. Experience has taught us that having parents in the Child's Playroom can unsettle other children and your own child. However, we work at your child's pace to ensure that this procedure is a happy and smooth one.

Please note children must be picked up promptly at the end of their session. It is upsetting for children to be collected late whilst also impacting staffing level needs and potentially compromising the safety of other children. **Late pick up will incur a penalty charge**

What do I do next and how do I book a place?

Email us hello@childswansea.co.uk and we will book you in for a visit for you and your child. At this point we can answer all your questions, a registration pack and arrange your free taster session. The taster session is a great opportunity for us to work out the best transition for you and your child and at this point we can book in the sessions that are required. Once you have joined us, we ask you not to attempt to book sessions via the staff in setting, email is the most reliable method. We ask you to direct all bookings to us via email so that we can make sure we have a paper trail of bookings.

To guarantee you always have a space and to receive childcare at a lower cost, we recommend a regular ongoing booking. There is an option to have a casual booking, these cost a little more due to extra administration required, there is also a risk that we will be full.

After School Club

The easiest way is again to email us your requirements. To guarantee you always have a space and to receive childcare at a slightly lower cost, we recommend a regular ongoing booking. There is an option to have a casual booking, these cost a little more due to extra administration required, there is also a risk that we will be full.

How many sessions do I book and pay for?

We invoice families at the beginning of the month for the childcare booked. The majority of families use our regular bookings option, so the invoice is generated and sent to you monthly. Childcare does need to be paid for before it commences. If you have booked in casual sessions in addition to your regular bookings, these will be added onto your next invoice, e.g., October invoice will include all October dates and any extra September dates that were used.

Is it possible to book different sessions each week?

We try to be flexible where possible. But experience has taught us that to guarantee you have a space, make your bookings regular and / or long term. We will book (within reason) to suit shift patterns, but these need to be provided on a long-term basis.

There is a 2-week notice period required to amend regular bookings or take a holiday, 28-day notice period to cancel bookings completely. With casual booking we have a 48-hour cancellation policy.

Is there any help available to cover some of the costs of childcare?

Child's Play accepts employer's childcare vouchers and the 30-hour childcare offer.

What is the policy if my child is ill?

We will not accept unwell children. Clearly it is not in their best interest to attend if they are unwell, nor is it in the best interest of others. We have a duty to limit the spread of infection and illness to other children and staff. Sessions missed due to ill health will still need to be paid for.

If your child falls ill during a session, you will be required to pick them up as soon as possible. Again, it is not in the best interest of your child to remain in setting if they are unwell. We also have a duty to limit the spread of infection and illness to other children and staff. Sessions missed due to ill health will still need to be paid for.

How will I know what my child is doing during the days and how they are progressing?

In playschool we have a blue communication diary which we write in each day. This informs parents of highlights of the day, achievements, issues and answering any queries that are written in the book by parents.

We also have a learning journal, which is used to record your child's wonderful developmental journey whilst they are with us. This is yours to keep as a keepsake once they leave us.

How Does Child's Play keep in touch with news of important dates, holidays etc?

Each setting will put notices on the doorway for parents to read when they are collecting and dropping off children. We also put information on social media and in newsletters.

The Language Used

Child's Play is an English medium setting with some use of Welsh. (please see our Welsh Language policy.

Parental involvement

Child's Play believes that parents/carers are the prime carers and educators of their children and as such should be involved in many aspects of the provision. Child's Play at welcomes parents/carers who would like to become involved in:

- Fundraising.
- Leading skills sessions such as firepersons/police/artists coming in to speak about their professions/experiences.

The lasting benefit of parental involvement in a child's development and pre-school education is now clearly supported by academic research, as well as providing a lot of pleasure for parents/carers and their children.

Training

Through our membership of Early Years Wales, and Swansea Family Information Services, Clybiau Plant Cymru we ensure that Child's Play at Penclawdd is kept up to date with current developments and initiatives in the field of childcare and education. We receive small talk, Wales PPA's magazine, which offers practical advice and up-to-date information, and we are happy to share this with parents/carers. The provision also has access to other publications from Early Years Wales. Alongside this we work closely with Gower College, supporting career development of staff, NDNA, Clybiau Plant Cymru, After School Support and PACEY. Currently staff have renewed their Paediatric First Aid and registered to do the transitions Playwork's qualification through Clybiau.

Child's Play at Penclawdd works with the support of the above organisations to invest in our staff's commitment to their continuous professional development through reliably endorsed courses, events and training pathways, and parents/carers are kept informed about these.

Policies and Procedures

Child's Play at Penclawdd has produced a pack of policies and procedures that describe arrangements for dealing with routine operational practice, complaints, concerns, and any emergency that may occur during operational hours. They are designed to ensure effective and safe management of our service and to offer the best possible environment and experience for the children and families who use it. The policies and procedures are developed and maintained in line with and/or exceed national minimum standards and regulations. They are reviewed regularly (at least annually) and updated (and CIW informed of any changes) as necessary. Starting in the Provision

Child's Play acknowledges the importance of parents/carers and staff working together to help children settle in the provision and develop confidence to participate in all the activities offered. Some children take longer than others to settle. The treatment of each child as an individual is our main concern. Parents/carers are invited to join us for a free taster session (playschool only) so we can all assess the child's transition needs.

We advise parents with children who have additional needs to meet with us prior to children starting After School Club so that children's needs are fully met and their settling in transition runs smoothly.

Observations, Assessment and Record Keeping

Child's Play's staff take a reflective approach to their work. Using observation as a tool to plan activities and ensure children's needs are met. The progress of children is assessed by observation and recorded. Child's Play has a duty to share some information with the Local Authority, CIW and in the case of the Child Development Assessment Profile, the Welsh Government. Our records are kept in line with our Confidentiality Policy and are available for discussion with parents/carers at any time.

Terms and Conditions

Our terms and conditions are set out in the contract between parents/carers and Child's Play and implicit within our Policies and Procedures.

The contract must be signed, and the registration form must be completed by parents/carer and registration fees paid before their child attends.

Samples of the contract, registration form and the full set of policies and procedures are available from Samantha Smith.

CIW and parents/carers are informed of any changes to this Statement of Purpose which is reviewed at least annually or as a result of a change in Operational Practice. This Statement of Purpose is supported by Child's Play's Operational Plan and any changes to one will be reflected in the other.
